

Open Access Copyright Transfer Agreement (CTA)

The form below is to be completed by the corresponding author for all submissions accepted for publication in the respective Journal. Your consent to the following assignments of rights, also on behalf of the other authors, and the signing of this Open Access CTA is a necessary requirement for the Open Access publication of your manuscript.

Journal: _____

Manuscript Title: _____

Manuscript Number: _____

Author(s): _____

Corresponding Author's contact data: _____

Assignment of Rights

Schattauer GmbH, Publisher for Medicine and Natural Sciences, does not accept for publication any manuscript that has been published elsewhere.

The article will be published under the Creative Commons License CC-BY-NC-ND (www.creativecommons.org). This license means that anyone may freely read, download, distribute and make the article available to the public (in printed and electronic form), provided that the author(s) and the journal as the source are acknowledged (BY = attribution), whereas no commercial use is allowed (NC = non-commercial) and the work may not be altered, transformed or serve as the basis for a derivative work (ND = no derivative).

If an external funding provider has explicitly stipulated that the article be published under a different CC license, the article may be published with this license. Please inform the central editorial office beforehand.

Schattauer GmbH aims to ensure maximum dissemination of your article and to protect your author's rights against misuse like plagiarism. Therefore, it is necessary that you and your co-authors transfer on a non-exclusive basis copyright to Schattauer. This includes (in addition to the publication under a CC-BY-NC-ND license) for the duration of the statutory term of copyright protection throughout the world the full rights to use the paper (including excerpts thereof) in all forms, languages and media, whether now known or hereafter developed, effective if and when the manuscript is accepted for publication and to the extent assignable if assignability is restricted by applicable law or regulations (e.g. for U.S. governments or Crown employees).

Article Publication Charge (APC)

Publication of the article is subject to an article publication charge (APC). Journal reviewers receive a discount. We will send you a personal offer upon receipt of this form. The article will be published Open Access upon receipt of the payment by Schattauer GmbH.

Author's Rights and Gold Open Access

Immediately after publication of the article, you and the other authors are entitled to make the published version of the article (Version of Record, VOR) available to the public. You may publish it on your own personal website or on an institutional website as well as upload it to a repository. Further details can be found under "Open Access at Schattauer".

Author's Declaration

I confirm that the manuscript does not contain any material the publication of which would violate any copyright or other personal or proprietary right of any person or entity. I have obtained and include with the manuscript written permission from any respective copyright owners for the use of any materials that have been previously published or are otherwise copyrighted and owned by third parties. I agree that it is my responsibility to pay any fees charged for permissions.

I have read and understood the terms and conditions of the CC-BY-NC-ND license and I agree also on behalf of the other authors that the article will be published under such a license.

I agree to pay the article publication charge prior to publication.

I declare that I am authorized by all my co-authors to sign on their behalf.

Place and date: _____

Corresponding author's signature: _____

Please note: Accepted manuscripts cannot be processed for publication until the Central Editorial Office has received this signed form.

PLEASE SIGN THIS FORM AND FAX IT BACK TO ++49 711 229 87 65

Alternatively, the form can be scanned, saved as a pdf file and returned via e-mail to the Central Editorial Office.
