

Copyright Transfer Agreement and Conflict of Interest Statement

To be completed for all submissions accepted for publication in *Thrombosis and Haemostasis*. Schattauer GmbH, Hoelderlinstr. 3, 70174 Stuttgart, Germany, and Author hereby agree as follows:

Manuscript Title: _____

Manuscript Number: _____

Author(s): _____

Copyright Transfer Agreement

As the corresponding author who has obtained the assent of all the other authors, I hereby confirm the assignment of all copyrights to the manuscript named above in all forms, languages, and media to Schattauer GmbH, effective if and when the manuscript is accepted for publication in *Thrombosis and Haemostasis* and to the extent assignable if assignability is restricted by applicable law or regulations (e.g. for U.S. government or crown employees).

It is my understanding that if and when the manuscript is accepted for publication in *Thrombosis and Haemostasis*, it may be pre-published online. *Thrombosis and Haemostasis* **epub ahead of print: TH First** articles have undergone full peer review and will already be copyedited and typeset. However, it may not have undergone final proofreading by the author(s) and it will be the corresponding author's responsibility to double-check the proofs of the article for accuracy prior to approval for print publication.

The manuscript does not contain any material the publication of which would violate any copyright or other personal or proprietary right of any person or entity.

I will obtain and include with the manuscript written permission from any respective copyright owners for the use of any materials that have been previously published or are otherwise copyrighted and owned by third parties. I agree that it is my responsibility to pay any fees charged for permissions.

Conflict of Interest Statement

Manuscript submissions must contain a declaration of conflict of interest that any of the authors may have with regard to the information on commercial or potentially commercial products. Conflicts of interest for a given manuscript exist when one or more authors has ties to activities that could inappropriately influence his or her judgment, whether or not judgment is in fact affected. Financial relationship with industry (through investments, employment, consultancies, stock ownership, honoraria) are usually considered to be the most important conflicts of interest. For manuscripts involving work on products supported (wholly or partially) by commercial companies, a footnote should be added to acknowledge this fact.

It is the responsibility of the corresponding author to review this policy with all authors and to collectively list the appropriate commercial relationships. In case of a potential conflict of interest, the information must be provided to the Editor-in-Chief in the cover letter during the online submission process, in addition to completing this form.
